OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 1870/132

Bangalore, 2nd September 1907

From

H J BHABHA, ESQ M A.,

Inspector General of Education in Mysore

To

C S Balasundaram Iyer Esqre BA
Offg Secretary to the Government of HH the Maharaja of Mysore
General and Revenue Departments

SIR,

With reference to Government order no 11438 Edn 388-06-2 dated 4th June 1907, I have the honour to inform you that Mr. Yagna Subbaya of Sagar is reported to have paid only Rs 657-10-2 for opening an Industrial School at Sagar and promises to pay the balance of Rs 342-5-10 as soon as the schools opened.

2 In my opinion Shimoga is preferable to Sagar for the purpose of opening an Industrial School for the following reasons:—

(1) It is intended to open a class later on at Shimoga for the purpose of Manual Training

(2) After the abolition of the college classes, there is enough of accommodation in the High School building for the Industrial School if a shed for carpentry is constructed

in the Compound

(3) The town of Shimoga is from its importance best suited for Industrial education.

4 Under these circumstances, I recommend that the opening of an Industrial School at Shimoga may be sanctioned in preference to Sagar. When Government are able to spare funds for an additional Industrial School at Sagar, the amount given by the Sowcar may be availed of as a part of the cost of equipment.

I have the honour to be,
Sir,
Your most obedient servant
H. Bhabha
Inspector General
